Himalayan Edible Rock Salt

HIMALAYAN SALT is 100% Pure, Unscented, Untreated and a gift of Nature to human beings. This Himalayan Salt is a marvelous dietary supplement that looks and tastes fantastic. It is rich in trace minerals and it's mined from underground seams of salt deposits in the unpolluted foothills of the Himalayan Mountains. It has been highly regarded for health reasons for a very long time and is also now appreciated by discerning cooks.

Pink Himalayan salt is often said to be the most beneficial as well as the cleanest salt available on this planet today. It has all kinds of nutritional and therapeutic properties & culinary uses. You can use it as a healthier option to processed salt. You can also use it to create homemade body scrubs and bath soaks, and you may have seen or own a Himalayan salt lamp made from pink Himalayan salt.
